

HEIDENHAIN

Announcement

Distributor & Service Center Denmark

HEIDENHAIN Scandinavia AB has chosen **Nordic ApS** to become our official Distributor & Service Center for existing and new customers in Denmark, Iceland, Greenland & Faroe Islands from January 1st 2021.

This is in line with the business plan for Heidenhain to focus on key account management and the recruitment of sales manager Preben Nyhus. We will also give our greatest thank you to TP Teknik for all the years of fruitful partnership and will now look forward to the next step in the journey together with Nordic. We are of course extremely happy that we had the chance to partner-up with a company like Nordic with longstanding expertise and knowledge about our products and services. We also appreciate that we share the same DNA regarding customer satisfaction, strive for perfection and problem solving mindset.

Please welcome Nordic in the Heidenhain Network

HEIDENHAIN Scandinavia AB, 1 June 2020

Per Wincent

Managing Director
